

The John and Joe Memorial Fun Shoot

October 8, 2022

In honor and memory of John Moen and Joe Fries

Without them there would be no Mesilla Valley Shotgun Sports

Please join us at 9:00 AM on Saturday, October 8 for a fun shoot to honor two of our founders. We'll start by playing the National Anthem and raising the American flag, then an MC will make brief remarks and ask if anyone else would like to speak. Following that we'll present the plaque mounted on the wall next to the one from the Grand Opening on October 8, 2011, and a squad of MVSS members will fire a salute.

After that we'll have the fun shoot. Two rounds - skeet, trap, or one of each. The machines will have flash targets mixed with regular targets, whoever breaks one receives a token.

The shoot also includes a long bird event. Three shots at an incoming target and whoever breaks all three receives a token.

Finally, participants get lunch - a green chile cheeseburger, chips, and a drink. We'll serve until the food runs out.

All of this for just two tokens. Please join us.
